Floridians are united by our one true love...Florida

Dear Friend of Conservation,

Thank you so much for considering sponsoring Conservation Florida's 2023 Wild Florida 5K. By supporting this unique event, you will not only be saving land, but you will also be helping people connect to Wild Florida both virtually *and* in person on September 2, 2023!

We are asking for your support today as a sponsor — and as a participant in the 5K! So join Conservation Florida's Wild Florida 5k, for the love of Florida, and support our work to protect Florida's wild places. All proceeds benefit Conservation Florida. Conservation Florida is a 501(c)(3) nonprofit land conservancy with a mission to save Florida's natural and agricultural landscapes for future generations.

Our conservation projects support Florida's native plants and wildlife, fresh water, connectivity of the Florida Wildlife Corridor, family farms and ranches, the economy, and nature-based recreation. **Join Conservation Florida's Wild Florida 5k and support our work to protect Florida's wild places and come together *For The Love of Florida!***
